DANCING WATER SPEAKERS

KT4040 USER MANUAL

PLEASE READ THIS USER MANUAL COMPLETELY BEFORE
OPERATING THIS UNIT AND RETAIN THIS BOOKLET FOR
FUTURE REFERENCE.

COMPLIANCE WITH FCC AND ICES-003 REGULATIONS

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This Class B digital apparatus complies with Canadian ICES-003.

CAUTION

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

PROTECT YOUR FURNITURE!!

This system is equipped with non-skid rubber 'feet' to prevent the product from moving when you operate the controls. These 'feet' are made from non-migrating rubber material specially formulated to avoid leaving any marks or stains on your furniture. However certain types of oil based furniture polishes, wood preservatives, or cleaning sprays may cause the rubber 'feet' to soften, and leave marks or a rubber residue on the furniture.

To prevent any damage to your furniture, we strongly recommend that you purchase small self-adhesive felt pads, available at hardware stores and home improvement centers everywhere and apply these pads to the bottom of the rubber 'feet' before you place the product on fine wooden furniture.

DEAR HELLO KITTY CUSTOMER

Selecting fine audio equipment such as the unit you've just purchased is only the start of your musical enjoyment. Now it's time to consider how you can maximize the fun and excitement your equipment offers. This manufacturer and the Electronic Industries Association's Consumer Electronics Group want you to get the most out of your equipment by playing it at a safe level. One that lets the sound come through loud and clear without annoying blaring or distortion and, most importantly, without affecting your sensitive hearing. Sound can be deceiving. Over time your hearing "comfort level" adapts to higher volumes of sound. So what sounds "normal" can actually be loud and harmful to your hearing. Guard against this by setting your equipment at a safe level BEFORE your hearing adapts.

To establish a safe level:

- Start your volume control at a low setting.
- Slowly increase the sound until you can hear it comfortably and clearly, and without distortion.
- Once you have established a comfortable sound level : Set the dial and leave it there.
-

Taking a minute to do this now will help to prevent hearing damage or loss in the future. After all, we want you listening for a lifetime.

We Want You Listening For a Lifetime

Used wisely, your new sound equipment will provide a lifetime of fun and enjoyment. Since hearing damage from loud noise is often undetectable until it is too late, this manufacturer and the Electronic Industries Association's Consumer Electronics Group recommend you avoid prolonged exposure to excessive noise.

Customer's Record:

The serial number of this product is found on its bottom cover. You should note the serial number of this unit in the space provided as a permanent record of your purchase to aid in identification in the event of theft or loss.

Model Number : **KT4040**

Serial Number : _____

GETTING STARTED

- A. LEFT/RIGHT SPEAKERS
- B. USB CABLE (TO USB POWER SOURCE)
- C. MINI USB SOCKET (FOR SPEAKER LINK UP)
- D. MINI USB SOCKET (FOR SPEAKER LINK UP)
- E. AUX IN JACK

Accessories

1. Audio Cable

2. Mini USB Cable

Connection

PLUG AND PLAY

You can connect your digital music player (iPod, MP3, computer, game system or other digital audio players) to the KT4040 by connecting the AUX IN Jack (#E) to your external player's audio out jack or headphone jack.

1. Set your digital audio player's volume to minimum.
 2. Plug one end of an audio cable into the AUX IN Jack (#E) and the other end of the cable to the headphone jack of your digital audio player.
 3. Connect the speaker and the USB power source with the USB cable.
 4. The four color LEDs will light.
 5. Start playing the device you plugged into the AUX IN Jack (#E).
 6. Slowly adjust the volume controls of your external device until you reach a comfortable listening level. The water will begin to dance to the beat of the music being played.
 7. Turn off your iPod, MP3 player etc. when you finish listening.
 8. Disconnect the USB cable to turn KT4040 off and unplug the AUX IN Jack.
- Don't forget to switch off the power of your external audio device as well.

NOTE: The audio output power and height of the water depends on the USB power supply being used. For optimum results, we recommend using a 5V/2A USB power supply (not included).

90 DAY LIMITED WARRANTY AND SERVICE VALID IN CANADA ONLY

SPECTRA MERCHANDISING INTERNATIONAL, INC. warrants this unit to be free from defective materials or factory workmanship for a period of 90 days from the date of original customer purchase and provided the product is utilized within Canada. This warranty is not assignable or transferable.

This warranty is valid only in accordance with the conditions set forth below:

1. The warranty applies to the SPECTRA product only while:
 - a. It remains in the possession of the original purchaser and proof of purchase is demonstrated.
 - b. It has not been subjected to accident, misuse, abuse, improper service, usage outside the descriptions and warnings covered within the user manual or non-SPECTRA approved modifications.
 - c. Claims are made within the warranty period.
2. This warranty does not cover damage or equipment failure caused by electrical wiring not in compliance with electrical codes or SPECTRA user manual specifications, or failure to provide reasonable care and necessary maintenance as outlined in the user manual.
3. Warranty of all SPECTRA products applies to residential use only and is void when products are used in a nonresidential environment or installed outside of Canada.

For information on returning a product for warranty service, please contact SPECTRA first at 1-800-777-5331 or by email at custserv@spectraintl.com for

return authorization and instructions. When contacting SPECTRA, please provide your contact information, the product model number, place and date of purchase, and a description explaining how the unit is defective.

Our obligation under this warranty is the repair or replacement of the defective unit or any part thereof, except batteries, when it is returned to the SPECTRA Service Department or a SPECTRA designated affiliate, accompanied by proof of the date of original consumer purchase, such as a duplicate copy of a sales receipt.

You must pay all applicable shipping charges, duties, taxes or fees required to return the product for warranty service. If the product is repaired or replaced under warranty, the return charges will be at SPECTRA's expense. There are no other express warranties other than those stated herein.

In some cases the model you have may be discontinued, and SPECTRA reserves the right to offer alternative options for repair or replacement.
