LOCATION OF CONTROLS

1. FM Telescopic Antenna
2. Earbud Jack
3. AM/FM Band Selector
4. Tuning Control
5. Power ON/OFF & Volume Control
6. Speaker
7. Belt Clip
8. Battery Compartment Door
9. Belt Clip Tab

POWER SOURCE

This Pocket AM/FM Radio operates on 2 'AA' (UM-3) batteries (Not included).

BATTERY INSTALLATION

1. Remove the BATTERY DOOR (#8).
2. Following the polarity diagram (+ and -) shown in the battery compartment, and insert 2 'AA' (UM-3) batteries (not included).
3. Replace the BATTERY DOOR (#8).

IMPORTANT: Be sure that the batteries are installed correctly. Wrong polarity may damage the unit.

Note:

- i. For best performance and longer operating time, we recommend the use of alkaline-type batteries.
- ii. Do not mix old and new batteries.
- iii. Do not mix alkaline, standard (carbon-zinc) or rechargeable (nickel-cadmium) batteries.
- iv. If the unit is not going to be used for an extended period of time, remove the

batteries. Old or leaking batteries can cause damage to the unit and may void the warranty.

- v. Do not dispose of batteries in fire, batteries may explode or leak.

RADIO OPERATION

1. Turn the Volume Control (#5) in a clockwise direction to turn ON the unit. A "Click" will be heard, and the speaker (#6) will become active.
2. Set the Band Selector (#3) to "AM" or "FM" depending on which band you want to listen to.
3. Rotate the Tuning Control (#4) to select a desired radio station.
4. Adjust the Volume Control (#5) to obtain the desired sound level.
5. To turn the Radio OFF, rotate the Volume Knob (#5) in a counter-clockwise until hear a 'Click' sound is heard and the speaker (#6) turns off.

TIPS FOR BEST RECEPTION

- i. When listening to an FM station, fully extend the FM telescopic antenna.
- ii. When listening to AM station, be sure to place the unit in a vertical position and rotate or reposition the unit until the best AM reception.

USING EARBUDS (not included)

1. Plug your earbuds into the jack (#2) on the side of the unit. The unit speaker is disabled when earbuds are plugged in.
2. Follow the Radio Operation steps above for listening to the radio.

READ THIS IMPORTANT INFORMATION BEFORE USING YOUR EARBUDS

1. Avoid extended play at very high volume as it may impair your hearing.
2. If you experience ringing in your ears, reduce the volume or shut off your unit.
3. Do not use while driving a motorized vehicle. This is dangerous and also illegal in some states.
4. Keep the volume at a reasonable level even if your headset is an open-air type designed to allow you to hear outside sounds. Please note that excessively high volume may still block outside sounds.

DETACHING THE BELT CLIP

1. Gently pull up on the Belt Clip Tab (#9) to unlock the belt clip.
2. Carefully remove the Belt Clip (#7) by sliding it downward to remove it from its slot.

Note: Do not pull up on the belt clip or apply excessive force when trying to remove it. This could break the belt clip, and void the warranty.

CARE AND MAINTENANCE

1. Never wrap the earbuds cord around any animal or person. Special care should be taken with long wires.
2. Clean your unit with a damp (never wet) cloth. Solvent or detergent should never be used.
3. Do not expose the unit to rain, moisture or extreme temperature.
4. Avoid leaving your unit in direct sunlight or in hot, humid or dusty places.
5. Keep your unit away from heating appliances and sources of electrical noise such as fluorescent lamps or motors.

SPECIFICATIONS

Power Requirement:	2 X AA (UM-3) batteries
Frequency Range:	AM 1710 – 530 KHz FM 108 — 88 MHz

COMPLIANCE WITH FCC REGULATIONS

This equipment has been tested and found to comply with the limits for a Radio Receiver, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio technician for help.

WARNING

Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

90 DAY LIMITED WARRANTY AND SERVICE VALID IN THE U.S.A. ONLY

SPECTRA MERCHANDISING INTERNATIONAL, INC. warrants this unit to be free from defective materials or factory workmanship for a period of 90 days from the date of original customer purchase and provided the product is utilized within the U.S.A. This warranty is not assignable or transferable. Our obligation under this warranty is the repair or replacement of the defective unit or any part thereof, except batteries, when it is returned to the SPECTRA Service Department, accompanied by proof of the date of original consumer purchase, such as a duplicate copy of a sales receipt.

You must pay all shipping charges required to ship the product to SPECTRA for warranty service. If the product is repaired or replaced under warranty, the return charges will be at SPECTRA's expense. There are no other express warranties other than those stated herein.

This warranty is valid only in accordance with the conditions set forth below:

1. The warranty applies to the SPECTRA product only while:
 - a. It remains in the possession of the original purchaser and proof of purchase is demonstrated.
 - b. It has not been subjected to accident, misuse, abuse, improper service, usage outside the descriptions and warnings covered within the user manual or non-SPECTRA approved modifications.
 - c. Claims are made within the warranty period.
2. This warranty does not cover damage or equipment failure caused by electrical wiring not in compliance with electrical codes or SPECTRA user manual specifications, or failure to provide reasonable care and necessary maintenance as outlined in the user manual.
3. Warranty of all SPECTRA products applies to residential use only and is void when products are used in a nonresidential environment or installed outside the United States.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. TO OBTAIN SERVICE please remove all batteries (if any) and pack the unit carefully and send it freight prepaid to SPECTRA at the address shown below. IF THE UNIT IS RETURNED WITHIN THE WARRANTY PERIOD shown above, please include a proof of purchase (dated cash register receipt) so that we may establish your eligibility for warranty service and repair of the unit without cost. Also include a note with a description explaining how the unit is defective. A customer service representative may need to contact you regarding the status of your repair, so please include your name, address, phone number and email address to expedite the process.

IF THE UNIT IS OUTSIDE THE WARRANTY PERIOD, please include a check for \$5.00 to cover the cost of repair, handling and return postage. All out of warranty returns must be sent prepaid.

It is recommended that you contact SPECTRA first at 1-800-777-5331 or by email at custserv@spectrainl.com for updated information on the unit requiring service. In some cases the model you have may be discontinued, and SPECTRA reserves the right to offer alternative options for repair or replacement.
